Qualifications Summary

Andrew Goss is a highly experienced Boiler Operator with 22 years of dedicated service, currently employed at Michigan State University. His extensive tenure in this role indicates a deep understanding of boiler operations and maintenance.

Hiring Recommendation

We recommend contacting Andrew Goss urgently, given his significant experience and current employment at a major institution. The best channel for initial outreach would be his phone number to ascertain his interest and availability.

Intelligence sourced from public licensing records, employer directories, and proprietary OSINT. Methods confidential.
